2 de la Moto

MALBEC 65% - CABERNET SAUVIGNON 30% - PETIT VERDOT 5%

Drummond – Perdriel – Altamira in Mendoza

VINEYARDS

- Vineyards: Finca de los Andes, Altamira, La Pilar, La Rosario.
- Apellations: Drummond y Perdriel in Lujan de Cuyo and Altamira in Uco Valley
- Vines Selection : Malbec Lujan & Altamira, Cabernet Sauvignon 337, Petit Verdot Margaux selection.
- Terroirs:
 - Lujan at altitude 980 meters, poor shallow & very permeable soils.
 - Altamira: altitude 1100 meters, sandy soil, lime over large bodies of calcareous rocks.
- Yields: 5,000- 7,000 kg per hectare

HARVEST

- Dates of harvest: 15, 22 & 24 April 2009
- Climatic Characteristics: 2009 was a hot and dry year with low yields. A dry spring was followed by a hot and dry summer. This facts helped to perfect grape maturity, especially because of cool nights during the fall. The length of the cycle was medium, harvesting the grapes earlier than in other years. In general great concentration, rich in colour, matures aromas, and very good tannins.

WINEMAKING

- Hand harvested
- Hand punched cap- “piegaje manual” during the first two weeks, fermentation in small tanks of 50 Hl.
- Maceration during 25 days
- Pneumatic press, minimum pressure.
- Malolactic fermentation in barrels.
- Aging in French barrels during 18 months. 1/2 new and 1/2 of first use.
- Clarified and bottled with minimum filtration. Bottled in February 2011.

TASTING NOTES

- Color: intense red with violet reflections. Intense nose with notes of mature fruits highlighted by plums, black cherries and red fruit jam. Licorice and some red pepper are present. Spices, vanilla, caramel and toasted notes appear after agitation. In the Mouth it is a complex wine with full body, flesh and meaty. Tannins are present but they are soft and sweet because of grape maturity. It is a wine with great length that can be kept for many years in bottle, where it will develop complexity and variety of the aromas.

Alcohol 14.5%

Serving Temperature between 16 and 18 °C
